Good Morning,

Please remove me from your email list. Although you have not included your discriminatory material in **this email**, I find your overt racism offensive and will file harassment charges with the EEOC if you continue. I am not sure if you are aware of this, but it is illegal both under federal and local laws to discriminate, and stereotype entire populations of people based solely on the color of their skin in the workplace.

Please do not email again unless it is directly related to the work I do.

Thank you,
